# DOMINICAN BUSINESS PARTNERSHIP

*The Dominican Sisters of Amityville invite you and your business*

*o partner with us in Mission, improving lives in the communities that we share with you.*

**Who Are We?**

For over 156 years the Dominican Sisters of Amityville have been active community members in the New York metropolitan area and around the world. The Sisters seek to meet the challenges of the times and the needs of all in a variety of ways. We continually seek creative solutions to the complex and often controversial issues of our times. While we are driven by belief and faith, our Mission is to serve all, regardless of belief or faith.

*"In collaboration with others, we will call ourselves & society to credibility. We are responsible members of the universe. We promote the dignity of marginalized persons. We reject violence in ourselves and in society in order that all generations will grow and cherish life. We seek out the needs of the people in the communities we serve and create services to meet those needs."*

— Excerpt from our Vision Statement

**Ministries**

Never locked into the status quo, we are risk takers, facilitators and visionaries. Our many Ministries include: workforce development, affordable housing solutions, social services, education, healthcare, and sustainable agriculture. The uniqueness of our work is due to the exceptional programs we have as well as the partnerships we build with individuals and organizations that join us on our journey.

**Dominican Business Partnership**

*"Next to doing the right thing, the most important thing is to let people know you are doing the right thing."*  
— John D. Rockefeller

This program provides a great opportunity to make a difference while promoting your business. When you support the Sisters in their ministries, your company helps local communities and receives a heightened visibility on Long Island with recognition at all of our Dominican events.

Your company name has the potential to reach over 13,000 people several times over a twelve month period. Our donors are loyal and responsive. You will be investing in the future of the communities where you and your employees live and work. You will be viewed as a strong philanthropic presence in these communities. It is truly a wise investment and a sound strategic decision.

*To expand our Mission,  
we need your support and your ideas.  
Thank you for considering this opportunity  
to partner with us!*

*My business would like to partner with the Dominican Sisters of Amityville in serving the community we share.*
