Almost a Century of Dominican Education: St. Agnes High School in College Point

by Veronica McBreen, Development/Alumni Relations, and Sister Joan Martin, OP, Principal, St. Agnes High School

Often we hear or use the expression, "how times have changed." And yes, change is a part of our daily existence. Technology has altered the way we live and communicate, society and its value system has changed, and even our Church has changed.

However in the midst of all that change, there has been one constant, St. Agnes High School in College Point. St. Agnes began educating the young in the year 1908 and is already thinking about celebrating its 100th anniversary. Founded as a coeducational facility, St. Agnes answered the community's need for an institution of Christian education that would empower young men and women to be responsible citizens. In 1948 the school changed its charter to that of an all-girl school.

Today, nearly a century later, St. Agnes continues to educate young women who are ready for leadership and able to meet the challenges of the 21st century workplace, women who are ready intellectually, spiritually, physically and socially to assume their role in society, and women who are always aware of the world in which they live.

The population has grown and become more diversified but St. Agnes remains a stronghold of the Amityville Dominicans. Enrollment is steady as parents and their daughters seek the benefits of an all-female school where, as surveys have proven, students achieve greater educational and personal gains. Parents want an environment where their daughters will succeed. And succeed they do, as attested to by the number of scholarships that are offered to the students and the acceptances that are received from distinguished colleges and universities throughout the country: Northeastern University, Penn State, University of Pittsburgh,

Tuskegee Institute, Loyola University, Embry Riddle College of Aeronautics, Scranton University, Tampa University, SUNY Schools and, of course, Molloy College.

The Sisters of St. Dominic of Amityville continue to make a difference in the lives of the young women at St. Agnes. Along with a very dedicated lay faculty, there are sixteen Sisters involved in the varied aspects of life at St. Agnes. These Sisters serve in the areas of administration, programming, and finance. They are teachers, guidance counselors, librarian, school nurse and athletic moderator. Several of the Sisters are themselves graduates of St. Agnes.

Principal, Sister Joan Martin, OP and Assistant Principal, Susan Nicoletti are extremely proud of

Dear Friends,

Experiencing new life during the spring season creates within us a longing for summer and the leisure moments this season gifts us. For many of you the ordinary routine continues, but the extra night meetings and social events lessen, allowing time to relax and enjoy the outdoor life. As you look to this new season, remember that our God is a God of surprises! How will God surprise and delight you this summer season? Perhaps you will find the surprise in your attentiveness to the rhythm of nature, or your awareness to the needs of others, or your contemplative time with God. Don't miss the gifts of this season by being unaware of the wonderful miracles that happen within you and around you everyday.

So much has happened since the publication of the last edition of "Our Preaching." The celebration of Easter once again reminded us of the possibility of experiencing life in a new way. The death of Pope John Paul II found the world connected as nations mourned his passing. His concern for the care of the most vulnerable in society, his belief in our youth, his opposition to the war in Iraq and his respect for the religious beliefs of others are just a few ways that his life bore witness to the possibility of Easter. We place our hope in Pope Benedict XVI and promise to pray that the Spirit guide him in making the Gospel relevant for the 21st century.

The Federation of Dominican Sisters USA held its second Federation Convocation in Chicago, April 21-24. Attending this event were 482 Dominican Sisters and Associates, representing 24 Dominican Congregations in the United States. Among the attendees were 25 Amityville Dominican Sisters and Associates. The theme "One Planet, One People, One Preaching" served as a lens for addressing relevant ways for our Dominican charism to flourish now and into the future.

Dominican Village hosted a Celebratory Dinner on May 20th, to dedicate *Helen Butler, OP Hall* in honor of Sister Helen Butler for her wonderful efforts and vision in creating Dominican Village and overseeing the renovation of the auditorium as a beautiful center for the residents of Dominican Village. The Amityville site for Opening Word, a Literacy Program for Women, celebrated its Tenth Anniversary on June 5th. Since this site opened in 1995, more than 500 women were educated in Opening Word. Both are examples of sponsored ministries founded by our Sisters in response to the needs of this time.

Featured in this edition is a special recognition to you, our wonderful partners, for your support of our efforts in response to the call of God's people. We are able to respond, while sustaining our present ministries, because of your belief in our mission and your generous spirit. We value your partnership with us and the trust that this represents.

Also highlighted in this edition is St. Agnes Academic High School which was founded in 1898 by our Sisters. St. Agnes is alive and well and eagerly anticipating its 100th Anniversary in 2008! The poignant story of S. Ruth Lauth's visit with Pope John Paul II in January 2005 is timely and validates his tireless efforts to foster Catholic-Jewish relations.

May you experience God's gift of creation this summer as you replenish your spirit by spending time with family and friends. Thank you for your friendship with the Dominican Sisters and your untiring support of our mission. Your generosity enables our preaching to continue in new and meaningful ways. Our Sisters remember you in their daily prayers.

May the preaching continue in our very lives!

Gratefully in St. Catherine and St. Dominic,

Dominican Gala 2005

Honorees Announced For Upcoming Fall Event

Preparations are underway for the annual Dominican Gala, to be held Friday evening, October 28, 2005 at the Garden City Hotel. This year, the Sisters of St. Dominic are pleased to honor the selfless contributions of Mary and Donald Eversoll by bestowing on them the Veritas Award. Sister Erica Burkhardt, OP and Sister Margaret Clines, OP will receive the St. Catherine of Siena Award, acknowledging their lifetime of service to others.

Sisters Erica and Margaret are responsible for gathering and maintaining the Congregation's archival history in our Heritage Center at Queen of the Rosary Motherhouse. Together they collect and itemize the many artifacts that tell the unique story of the Amityville Dominicans. Our history is preserved so that future generations will know the marvelous deeds performed in God's name for God's people by the Sisters of St. Dominic, Amityville. Congratulations, Sisters Erica and Margaret!

Don Eversoll is a leading Long Island builder and developer of residential communities. He participates in many organizations including The Nature Conservancy and Family Service League. His wife Mary is well-known to our Sisters, serving as she has for the past four years on our Beauty of the Spirit Luncheon Committee. Mary also worked closely with the St. Martin's Outreach Program in Amityville. These two wonderful people exemplify our Dominican Charism, and we are indeed privileged to count them as partners in Mission.

The Dominican Gala 2005 will be a memorable evening for everyone, and the proceeds will help raise much needed funds to support our ministries. We invite you to join us!

For more information about tickets and sponsorship opportunities, please contact Eileen M. Nolan, OP at 631-842-6000 ext. 238 or Pat Chambers Daly, ext. 241.

their school and their students. With an enrollment under 500, each girl is known by name and appreciated for her uniqueness. The students at St. Agnes come not only from the surrounding borough of Queens, but from Nassau County and Brooklyn, and just this year, a student travels to St. Agnes from as far away as Staten Island.

Several students are dedicated members of the newly formed Dominican Preachers, a group of special young women who are trained to bear witness to and spread the Gospel message. They prepare and preside at the special Lenten and Advent Prayer services for the students and faculty.

St. Agnes Alumni can be found in all walks of life. Just recently a St. Agnes graduate was featured in a newspaper article as a writer-producer of the popular TV program "Third Watch."

The alumni are faithful and loyal supporters of St. Agnes High School. The Annual Fund, which was begun in 2000, has become an important source of revenue for St. Agnes, increasing each year with the help of those who want to give a little back for all they received. The St. Agnes Hall of Fame honors distinguished alumni or faculty, many of whom have been both, as well as Sisters of St. Dominic and friends of the Sisters. Each spring a Homecoming for all graduates is held at St. Agnes High School.

As Sister Joan often remarks, "St. Agnes is one of the best kept secrets of Queens."

Mission Statement of the Development Office

As Dominican women we are committed to proclaim the Gospel in an ever changing world and to serve the people of God. Through this Mission the Ministry of Development has an emphasis on our retired and infirm Sisters and those who work in service for the people of God.

Philosophy of the Development Office

*We are rich only through what we give,
 and poor only through what we refuse ...*

Anne Swetchin

The Mission of Development flows from our goal and philosophy as Sisters of St. Dominic. The activities of Development are designed to assist the Congregation as it adapts its ministries and renews its commitment to continue its work in response to the needs of the people of God. We invite others to partner with us and join in our efforts to preach God's Word through our ministries.

The Ministry of Development has as its main purpose the building of financial resources so as to enhance the viability and longevity of the Mission of the Congregation.

The goals of the Development Office are:

- ✦ to assist in planning for a viable future;
- ✦ to research the needs of the Congregation and assist in identifying and soliciting funding sources;
- ✦ to coordinate fundraising projects that benefit the Amityville Dominicans.

Our work in Development allows the Congregation to exercise more faithful stewardship of its resources. The Congregation invites people to share and to believe in the Amityville Dominicans by establishing and nurturing relationships with each person who invests in the Congregation. The Ministry of Development is the conduit through which these relationships are built.

The Ministry of Development focuses on the belief that—

- ✦ everything we have is a gift from God and we are stewards of all we receive;
- ✦ Development is a vehicle that enables us to discern the needs of the Church;
- ✦ we have a responsibility to our donors to provide the highest level of trust, confidentiality and accountability.

An Interfaith Trip To ROME

By Ruth Lauth, OP

On January 18, 2005, I had the great privilege of being one of approximately thirty Catholic “friends” invited to join an international delegation of leading rabbis, cantors and Israeli diplomats as they traveled to the Vatican for a private audience with His Holiness, Pope John Paul II. The purpose of this trip, which was organized and lead by Gary Krupp of Pave the Way Foundation, was to personally thank the Holy Father for his extraordinary contribution to Catholic/Jewish relations.

The trip was timed to coincide with the beginning of the 40th anniversary year of *Nostra Aetate*. *Nostra Aetate*, which was issued in 1965 by the Second Vatican Council, completely redefined the Church’s relationship with the Jewish people and changed the entire scene of interfaith dialogue, inspiring a series of official reappraisals of Christian teachings about Jews and Judaism across a spectrum of denominations. Thus, it was entirely appropriate that at the onset of this anniversary year, this very unique interfaith group make a pilgrimage to thank the one man who has perhaps done more to carry forward the spirit of *Nostra Aetate* than anyone else in history.

The trip was a great blessing for me from start to finish. Most of us arrived in Rome on Sunday morning and the fellowship began immediately. Though many of us were strangers, we were united by our dedication to Catholic/Jewish dialogue. I arrived knowing very few people in the delegation and left with about 100 new found friends.

The official program began on Monday, when we were given a private tour of the Vatican Museum and the Sistine Chapel. This was followed by a private tour of the Great Synagogue of Rome. It was in this Synagogue, on April 13, 1986, where Pope John Paul II made his historic visit and proclaimed that:

With Judaism...we [Christians] have a relationship which we do not have with any other religion. You are our dearly beloved brothers, and in a certain way, it could be said that you are our elder brothers.

After the tour, Rabbi Jack Bemporad (Director of the Center for the Interreligious Understanding, Englewood, New Jersey) and Father Norbert Hoffman (staff officer at the Holy See for the Council for Religious Relations with Jews) hosted a talk on the “Challenge of Jewish Christian Dialogue.”

On Monday evening, Archbishop Fitzgerald, president of the Pontifical Council, Rolando Clementi, Papal Chamberlain, and about twelve other representatives from the Vatican were special guests when our delegation was treated to a Cantorial Concert at the Great Synagogue.

Tuesday was the big day as about 150 of us piled onto buses and headed for the Apostolic Palace in the Vatican. We climbed the stairs and took our seats in Clementine Hall. After about half an hour, the doors in the back of the room opened and my

heart soared as the Holy Father entered the marble-lined, frescoed room. Quite spontaneously our delegation stood and applauded. I found myself in tears as I watched this giant of a man make his way to the front of the room in his white, upholstered motorized chair. Gary Krupp then stood and in an eloquent speech thanked John Paul II for the extraordinary effort made in his life, especially during his 26-year pontificate, to combat anti-Semitism. The Holy Father addressed us briefly but eloquently in English, saying:

May this be an occasion for renewed commitment to increased understanding and cooperation in the service of building a world ever more firmly based in respect for the divine image in every human being. Upon all of you, I invoke the abundant blessings of the Almighty and, in particular, the gift of peace. Shalom aleichem.

After the speeches, the cantors broke into song and three rabbis pronounced a special blessing on His Holiness, and prayed the she’hehchyanu, thanking Almighty God for sustaining us and bringing us to this special day. Every member of the delegation was personally introduced to the Pope, and I was thrilled to be able to give His Holiness greetings from the Sisters of St. Dominic of Amityville, New York!

Following the audience, we were treated to a luncheon by Angelica Berrie of the Berrie Foundation and Center for Interreligious Understanding. That evening Ambassador Oded Ben Hur hosted us all at another reception. I missed a tour of the American College because I was invited, along with Gary Krupp, Shmuel Hadas (the first Ambassador from Israel to the Vatican), and several of the Rabbis to a meeting with the Community of Santa Egidio. Born as a secular community after the Second Vatican Council, the members of Santa Egidio began their activity as a small group of young intellectuals seeking an alternative to political extremism and a return to moral and ethical values. Their statute, which includes clauses mandating service to the poor and dialogue with the world’s religions, was approved by the Vatican. The group gathers daily for scripture study and prayers in their headquarters in a former monastery in the heart of Rome.

The Community’s special significance lies in the fame that their works have brought them, their concrete contributions to networking through interreligious channels for peace, and their dedication to service to the poor. They are especially well known for their role in bringing about the Mozambique Peace Treaty of 1992.

I was delighted to spend my final evening in Rome at dinner with Gary Krupp, his wife Merrie and three LaSalette Priests from Massachusetts who are involved in Pave the Way Foundation.

This was the experience of a lifetime for me. And I humbly thank God for bringing me to this holy day.

“...My heart soared as the Holy Father entered the marble-lined, frescoed room.”

Donor Profiles

The Amityville Dominicans deeply appreciate the generosity of our many loyal donors. Without your help, our evolving Mission would be limited in scope. Some of our contributors have been steady participants for years, while others have recently

discovered the gratifying rewards of supporting all of our Sisters, whether in active ministry or retirement. Each of you plays an important part in our ability to pursue and reach our goals in the service of God's people, while caring for our retired and infirmed.

ALICE STRONG is an active senior who enjoys a long affiliation with the Amityville Dominicans. Shortly after moving to Dominican Village with her husband Bill in 1992, Alice began volunteering at Queen of the Rosary Motherhouse. As a "pioneer" Dominican Villager, she has fond memories of assisting Sister Erica in the Motherhouse Library during her ten years of volunteer service.

Reflecting upon the impressive history of the Sisters of St. Dominic in Amityville, Alice remarks, "The Sisters came here with talents that grew with them. They are very creative, very respectful. I am constantly touched by their high standards and kindness."

Alice remains involved at the Motherhouse by visiting the Sisters she has known over the years, and by attending Mass in Rosary Hall Chapel. In the nice weather, she loves to stroll the beautiful grounds. To continue her support, Alice participates in our Dominican Companions Program by pledging a monthly gift to help provide for her beloved Sisters and their ministries. Thank you, Alice!

ANNE PRUNTY affectionately notes that, at 81 years of age, her entire life has been influenced by her association with the Sisters of St. Dominic. This began with the Sparkhill Dominicans when she entered first grade in 1931 at Our Lady of Perpetual Help Grammar School in Richmond Hill, N.Y.

Anne first encountered the Amityville Dominicans while she was attending Bishop McDonnell High School in Brooklyn. Here the Sisters in the Commercial Department trained her well for an eventual job in the business world. Following graduation, Anne married John Prunty and settled into a job in banking that she liked very much. But when a high school teacher, Sister Celeste, invited her to join a brand new office at Molloy College, Anne accepted the challenge. To her great joy, she quickly discovered that she was working with many former teachers and classmates from Bishop McDonnell. Thus began a lifelong career at Molloy and an even deeper bond with the Sisters of St. Dominic.

"I spent 22-23 years at Molloy and loved every second of it. Retiring was one of the most difficult decisions I ever had to make. It was like leaving my family. In those days, Molloy was just like an extended family. We loved each other, all of us. We worried about each other, helped each other. If someone was

overburdened with a project, we found time to pitch in and help. After I retired, I went up to Molloy every week to have lunch with the girls. I had to have my fix."

Anne is eternally grateful for the close friendships she has enjoyed with many Sisters in the Congregation.

"Sister Kathleen Kelly was a big influence on my life, along with S. Miriametta, S. Elmina, and so many others. They all helped me through difficult times; they were always there. I had the same cancer surgery in 1975 that S. Kathleen had undergone six months earlier. She would come down to my office, drag me out into the hall, where we had some church benches, and say, "OK, let's talk." We would sit for some time, and she would ask me questions about my fears. I could talk to her like no one else because she knew exactly what I was feeling, and what I was going through. I do miss her, terribly."

When Anne responded to *Our Preaching* for this article, she hoped that readers might understand her feelings towards the Dominicans of Amityville. "I want EVERYONE to know just how wonderful, loving, caring, understanding, comforting, and just plain SPECIAL you all are to me," she wrote.

Thank you, Anne. You are so very special to us too.

A DONOR in New York City, who wishes to remain anonymous, shares that she supports the Amityville Dominicans because of their positive impact on her life. She was taught by Dominican Sisters in school, and has made many friends in the Congregation over the years. She believes it is her duty to contribute to the Sisters in whatever way she can.

"The Sisters of St. Dominic have a long history of preaching the Gospel message by working directly with the people they

serve. They were at the forefront of fighting for social justice long before it was fashionable to do so, and they have never really been recognized for doing as much as they do."

With a firm belief in the Congregation's future, this donor regards her contribution as an investment. "There will always be Amityville Dominicans working hard to meet the needs of others. These Sisters go the extra mile."

Thanks to our friend in New York City for saying so!

We thank every individual, corporation, not-for-profit, Church, and religious who supported the Amityville Dominicans in 2004, whether through the enrollment program, a special event, a memorial gift or our direct mail letters. Your gifts allow us to continue our Mission of service. Thank you!
