## Dominicans in Action

### Dominican Village Wins Coveted Accreditation

by Mary Porter

Opened in 1992, Dominican Village is a not-for-profit, non-sectarian rental retirement community on the grounds of the Sisters of St. Dominic's Motherhouse. It is located on the former site of Queen of the Rosary Academy, an all-girls high school which closed its doors in 1986.

Dominican Village, a sponsored ministry of the Sisters of St. Dominic, is proud to announce that it is the first assisted living facility in New York State to be accredited by the Commission on Accreditation of Rehabilitation Facilities (CARF). CARF has been commissioned by a national committee to be the accrediting agency for the social model of assisted living. Assisted living involves help with activities of daily living – meals, housekeeping, transportation – in a residential homelike environment.

This accreditation represents the highest level that can be awarded to an assisted living organization and it demonstrates that Dominican Village has achieved and is committed to continuing an extraordinary level of excellence in service. Dominican Village has two components – Congregate Housing and Enriched Housing. The Enriched Housing component is licensed by the New York State Department of Health. Three meals per day are served and full housekeeping is provided. Personal care aides are available for help with personal needs.

Congregate housing is provided in four separate apartment buildings linked by enclosed walkways. Residents rent one or two-bedroom apartments with bathroom, living room, kitchen and many safety and comfort features. One meal in a restaurant-type setting is included. Breakfast is available in the coffee shop and light housekeeping is done weekly. Residents of both components enjoy spacious grounds and common spaces which are kept meticulously clean. Many social and exercise activities are provided and

scheduled transportation is available for shopping and other trips. Residents have access to a medical suite and the services of doctors from Good Samaritan Hospital in West Islip, NY.

Dominican Village's Mission Statement is taken very seriously and is the central guiding principle for the staff and administration. Inspired by the Mission of the Sisters of St. Dominic, Dominican Village strives to "...preserve and enhance the lived expression of the Gospel values, especially the sacredness of life and the dignity of each person...ensure the continuation of the Dominican charism of truth through justice... provide opportunities for the furtherance of personal growth and development for those serving and being served...foster independence to the extent of each person's capability, with opportunity for choices."

A visitor to Dominican Village will be struck by the architecture, especially the many welcoming communal spaces where residents can gather. Extensive security and opportunities for socialization provide a peaceful and enriching quality of life. Sister Helen Butler, President and CEO of Dominican Village, invites you to come for a visit or tour; telephone (631) 842-6091.

# From the desk of Virginia Maguire, OP Prioress

Dear Friends,

As I write this letter at the beginning of a new season, I am aware of the signs of spring that are making their debut – the melodious sound of birds, crocuses poking their heads through the soil and the smell of spring in the air. These are just a few signs indicating that winter is fading and a new season is beginning. This has been a long, cold, snowy winter in terms of weather. It has also been a time of uncertainty with the declaration of war, the sexual abuse scandal in our Church and the scandals in our institutions, budget cuts in programs for those most in need and the list continues.

On a personal note our Congregation has experienced a great loss through the death of thirteen of our Sisters since January 1, 2003. Sister Kathleen Kelly, a long time friend to many of you, was among the thirteen Sisters who died. Sister Kathleen was a pioneer in the work of development for our Congregation. She believed in our Mission and she believed in your goodness and desire to assist us in this Mission. Through her work as Director of Development for sixteen years Kathleen had been able to realize some of our dreams by inviting you to partner with us in responding to the needs of the time. We are grateful for her wonderful work in this area of development and for establishing such wonderful relationships with you. A different type of loss that the Congregation has experienced in this same time period was moving twenty of our Sisters in need of skilled nursing care to Maria Regina Residence in Brentwood, NY.

In the midst of these situations God offers new life in the season of spring and the season of Resurrection. “I am making everything new... My words are true and can be trusted.” These words found in the book of Revelation are words that engender life because they offer hope for what is yet to come. Our Congregation, in preparing to celebrate its 150th Jubilee Celebration in September 2003, has been focusing on its humble beginnings when four courageous women left their beloved homeland in Germany to come to America to minister to the children of German immigrants. Because of their outrageous hope in the mercy of God and the generosity of the people in that area, they were able to establish a new foundation of Dominican Sisters in Brooklyn, New York – thus our story began. What followed in the next 149 years is our history.

For 149 years we have been able to preach the values of the Gospel because of your generosity in supporting our ministries. New life emerged for the people we served in schools, orphanages, hospitals, camps, etc. People with generous hearts have always been on our journey assisting us to develop new ministries that would respond to the needs of a particular time.

This edition of our newsletter highlights our history from its humble beginning in Most Holy Trinity Parish in 1853 to the new life that continues to be generated through our ministerial involvements in 2003. One of our sponsored ministries, Dominican Village, is also featured. This story portrays the new life offered to our aging population. Here, people can live in a secure environment with support services as part of a caring community where new relationships are nourished and cherished. You will also get a small preview of what is in store for the 150th celebration!

Thank you for the many ways you collaborate with us to engender new life for the people of God and offer them hope for what is yet to come. You and your loved ones are remembered in our prayers. Let us pray for peace within our hearts and within our world.

With gratitude,

# You Can Feel The History

by S. Margaret Briody, OP

**H**ow does a young Scottish-American woman feel so connected to a German past? In 1962 I entered the Sisters of St. Dominic of Amityville, and from the beginning I was steeped in the traditions of this German heritage; traditions of a culture so different from my own but by adoption they indeed became a part of me.

In 1233 a Dominican Monastery of Nuns was established in Regensburg, Germany (formerly known as Ratisbon). It was Holy Cross Monastery. It is from this monastery in 1853 that four young Sisters came to America to minister to the immigrant German children. Fate placed them in Brooklyn and the Sisters of St. Dominic, Congregation of the Holy Cross had its beginning in Most Holy Trinity Parish and School in Williamsburg, Brooklyn. Growing quickly in ministry and members, the Sisters moved their training center for new candidates to the site of a Long Island farm in Amityville and thus became known as the Amityville Dominicans.

This was the Congregation I entered and almost immediately I learned that there was a very strong relationship to this other group of Dominican Sisters. These Sisters lived thousands of miles away in a cloister in Bavaria, Germany, and somehow it was as if we were a close family. In 1962 the names on the headstones in our cemetery in Amityville were mostly German. The older Sisters who prayed in chapel and walked quietly about the novitiate halls were mostly German too. Many items on the daily menu, little phrases and stories all reflected this connection.

Now this fall of 2003 we, the Sisters of St. Dominic of Amityville, will celebrate our 150th Jubilee. A marvelous part of this celebration is that both Holy Cross Monastery in Germany and Most Holy Trinity School in Brooklyn are still very much a part of our story.

Eleven other congregations of Dominican women across the United States can trace their origins back through Brooklyn to Regensburg. In these 150 years the Word of God has been brought by the members of the world-wide Order of Preachers to people in Puerto Rico, Central and South America, the Dominican Republic and Africa. Ministries of education, health care, family support, religious instruction, advocacy for the poor, efforts for global peace, and respect for and renewal of our universe have carried on the Dominican traditions of early years. The same courage that led an administrator in nineteenth century Germany to send forth four members to educate German immigrants far from home is also the moving force of our decisions today as we

**Rooted in Regensburg**

**Born in Brooklyn**

pray for direction from the Holy Spirit to recognize the needs of our times and to respond to them in faith.

Our Jubilee Mass will be celebrated in Most Holy Trinity Church in Brooklyn on Saturday, September 6, 2003. The students of the school, which has been under our direction for 150 years, will act as ushers. This Mass will be televised live and carried on Brooklyn's Prayer Channel, Rockville Centre's Telecare and several other Diocesan TV channels around the country. Please check your local TV listings.

Yes, here we are planning a televised Mass! How different our lives have become, yet in many ways we have stayed the same. Our traditions as Dominicans, our charism of preaching and our connection to Holy Cross Monastery in Regensburg remain a part of our life today. In fact, through the technology of email we communicate with the nuns in the monastery on a regular basis. We count on their prayers and they rejoice in our ministry endeavors...and the preaching continues.

# Our History

## A School Grows in Brooklyn

Entrance of Most Holy Trinity School

by Mary Porter

Most Holy Trinity School was founded in 1841 by lay people in the German immigrant community of Williamsburg, NY.

In 1853, when the first Amityville Dominican Sisters arrived in America from Regensburg, Germany, they quickly assumed responsibility for the school, making this the oldest Dominican school in America as well as the oldest school in the Diocese of Brooklyn. Most Holy Trinity School remains a vital resource for the present immigrant community, serving the changing needs of the neighborhood. The continuity of Dominican values and the

dedication of generations of Dominican Sisters have helped to ensure its continued success.

The majority of today's students are Hispanic and their parents are deeply interested in seeing their children learn and succeed in school. The school serves 211 children from pre-Kindergarten through 8th grade. Classes are small with teachers who recognize each child as an individual, seeking to bring out each student's particular talents and gifts.

Sister Karen Lademann has been principal since September 2000 – coincidentally, Most Holy Trinity was where she spent her first years as a teacher. Sister Karen describes the students as very active, spirited children. They enjoy a family atmosphere because many students are related and parents are encouraged to participate in the school's activities. Each day begins with an assembly at which students, joined by many parents, pray together and pledge allegiance to the flag. An active group of parent volunteers remains at school to assist in the lunch room and with sports programs.

Sister Karen is assisted by a dedicated lay faculty that has carried on the Dominican charism over the years. Sister Pat DeMarco, Pastoral Associate, is another Dominican presence serving the people of God in Williamsburg. The school remains in its original building at 140 Montrose Avenue next to Most Holy Trinity Church. It is adjacent to the original Motherhouse of the Sisters of St. Dominic, which Catholic Charities renovated to serve as a Single Room Occupancy residence.

Visitors are welcome to come and see the Dominican presence in action. Sister Karen may be reached at (718) 384-1101. ...and our preaching continues today.

# Trinity Neighborhood Center Responds To Changing Needs

by Mary Porter

The Trinity Neighborhood Center is the Sisters of St. Dominic's most recent program in Brooklyn. Like Most Holy Trinity School, it is located in Most Holy Trinity Parish in Williamsburg, Brooklyn. This Center is just the latest example of the Sisters' continuing tradition of responding to the changing needs of the poor, marginalized and disenfranchised.

In 1981, before the Center was even a possibility, a group of Sisters and the pastor of the parish formed a non-profit social service agency to serve the neighborhood's needs, called the Trinity Human Services Corporation. For over 20 years it has provided social services, food, clothing, information and educational training to the economically disadvantaged families of the Greenpoint, Williamsburg and Bushwick sections of Brooklyn.

In the 1990s, The Sisters of St. Dominic began to envision "one-stop" neighborhood service centers in each of the four regions of Brooklyn, Queens, Nassau, and Suffolk. The first step in this vision became a reality in 1998 when Benincasa Family Services opened the Jamaica Neighborhood Center in Queens at the site of the former all-girls Dominican Commercial High School. This Center provides office space for many not-for-profit agencies and promotes coordination and cooperation among nearly 300 diverse community organizations, service providers and residents.

In late 1999, a consortium consisting of Most Holy Trinity Parish, Catholic Charities, Benincasa Family Services (a sponsored ministry of the Sisters of St. Dominic), and the Marianist Community was formed to study the feasibility of setting up a "one-stop" center in Williamsburg, Brooklyn. The idea was to make it easier for people to get help at a single location. To this end, Trinity Neighborhood Center was created and Miguelina Mercedes was hired as Program Coordinator in late 2002. Miguelina is establishing an Advisory Council of representatives from social service agencies in the area. An initial needs assessment study established adult literacy as one of the area's most immediate concerns. Other needed services include: educational and social services on all levels, child care, education to prevent teen pregnancy, pre-natal and neo-natal support, ESL and GED classes, job training, and advocacy for immigrants.

For more information on the Trinity Neighborhood Center call Miguelina Mercedes at (718) 388-3176.

Excerpt from the Vision Statement  
of the Sisters of St. Dominic

## Mission Statement of the Development Office

As Dominican women we are committed to proclaim the Gospel in an ever changing world and to serve the people of God. Through this Mission the Ministry of Development has an emphasis on our retired and infirm Sisters and those who work in service for the people of God.

## Philosophy of the Development Office

*We are rich only through what we give,  
and poor only through what we refuse ...*

Anne Swetchin

The Mission of Development flows from our goal and philosophy as Sisters of St. Dominic. The activities of Development are designed to assist the Congregation as it adapts its ministries and renews its commitment to continue its work in response to the needs of the people of God. We invite others to partner with us and join in our efforts to preach God's Word through our ministries.

The Ministry of Development has as its main purpose the building of financial resources so as to enhance the viability and longevity of the Mission of the Congregation.

### The goals of the Development Office are:

- to assist in planning for a viable future;
- to research the needs of the congregation and assist in identifying and soliciting funding sources;
- to coordinate fundraising projects that benefit the Amityville Dominicans.

Our work in Development allows the Congregation to exercise more faithful stewardship of its resources. The Congregation invites people to share and to believe in the Amityville Dominicans by establishing and nurturing relationships with each person who invests in the Congregation. The Ministry of Development is the conduit through which these relationships are built.

### The Ministry of Development focuses on the belief that –

- everything we have is a gift from God and we are stewards of all we receive;
- Development is a vehicle that enables us to discern the needs of the Church;
- we have a responsibility to our donors to provide the highest level of trust, confidentiality and accountability.

## Dominican Gala 2003 Helps Kick Off a Year of Festivities

The Sisters of St. Dominic eagerly anticipate the Dominican Gala 2003 which will take place on **Friday, October 17 at the Garden City Hotel, Garden City, NY.** This year's Gala will be a special affair as it is one of the first public celebrations of the Congregation's 150th Anniversary.

We are pleased to honor Barbara Hrbek Zucker of The Donald and Barbara Zucker Foundation with the Veritas Award, and Sister Kathleen Kelly, OP, posthumously with the Catherine of Siena Award. Barbara's philanthropic and volunteer work touches so many of God's people, especially high school students in need, and certainly exemplifies our Dominican charism. Barbara is a product of Amityville Dominican education, having graduated from St. Catherine of Sienna, St. Albans, NY, and Dominican Commercial High School, Jamaica, NY. As many of you know, Sister Kathleen passed away on February 14, 2003. We honor her 59 years as an Amityville Dominican, and her 16 years of dedicated service as the Congregation's Development Director.

This year's committee co-chairs will once again be Sister Kathleen McCarthy, OP, Coordinator of St. Ignatius Human Service Center and David Koehler, Vice President of Dominion Construction. A hard-working committee of lay and religious will most certainly ensure the success of this year's event.

Last year's Dominican Gala was an extraordinary success, netting nearly \$174,000 for the Congregation's Ministry Support Fund. This year's Gala promises to be an especially festive evening and an opportunity to support the ministries in which Amityville Dominicans work throughout Brooklyn, Queens, Nassau and Suffolk, as well as our programs in Puerto Rico, the Dominican Republic and Colombia. These include social service ministries such as T.O.P.S. For You and Project Teen Aid Family Services in Brooklyn; educational ministries such as St. Agnes High School in College Point and The Opening Word in Wyandanch and Amityville; and, retreat centers such as Siena Spirituality Center in Water Mill.

The Gala is a wonderful opportunity to reconnect with old friends and make new ones, all in the service of God's people. For more information on tickets and sponsorship opportunities, please contact Eileen M. Nolan, OP at 631-842-6000 ext. 238 or Pat Chambers Daly, ext. 241.

## Celebrating the Beauty of the Spirit

Please join us in celebrating the "beauty of the spirit" of women at our second annual Beauty of the Spirit Luncheon on **Friday, June 20, 2003 at Queen of the Rosary Motherhouse in Amityville.** The luncheon will begin with a reflection, followed by lunch and a tour of the Motherhouse and grounds, for those interested. Sister Patricia Duffy, OP will be the keynote speaker, and her topic will be "We Are God's Work of Art." A raffle and basket auction will be part of the festivities. Tickets are \$40 per person and all proceeds will benefit the Sisters' Health Resource Center – a center that is the hub for planning and implementing an array of wellness programs and activities for the Congregation.

The first Beauty of the Spirit Luncheon was held last June and was an overwhelming success. In fact, the number of attendees exceeded expectations, and in order to provide a more spacious venue this year, the luncheon will be held outdoors on the Motherhouse grounds under a tent. We look forward to a lovely day of friendship, delicious food and fun.

Sponsorship packages are available, ranging from \$100 to \$1,500. We are pleased to announce that this year's special underwriting sponsors include Mr. and Mrs. Donald Eversoll and Mr. Don Cowdel. For tickets and information, contact Mary Porter at 631-842-6000, ext. 269.

## Irish Night Raises Spirits and Supports Our Retired Sisters

The Sisters of St. Dominic may have their roots in Germany, but when it comes to giving a party, their Irish Night celebration is always a rousing success. Over 400 guests enjoyed the Sisters' 28th annual Irish Night, held on March 8, 2003 at St. Brigid's School in Westbury, NY. The evening began with a Mass for world peace, followed by dinner and dancing the night away to music provided by the Black Velvet Band. Many raffle and door prizes were awarded, including round-trip tickets to Ireland, provided by Sceptre Tours of Lynbrook, and a grand prize of \$1,000. A handmade shamrock quilt was donated for the raffle by Jean & Kenneth Meehan, relatives of Sister Maelene Meehan. Approximately \$24,000 was raised to support our retired Sisters.

## Sister Kathleen Kelly, OP – Devoted to God and Community

by Patricia Chambers Daly

I was playing with my daughter Clare at home on Valentine's Day when I got the call that Sister Kathleen had passed away. One of my first thoughts was, how appropriate that on the day universally known as a symbol of Love, my friend and colleague, who was filled with a tremendous amount of love, should leave us.

I arrived as the first lay person in the office of development a little over three years ago. Sister Kathleen Kelly was one of the warmest and most inviting religious I had ever met. She made me feel welcome and valued. I admired her extraordinary commitment to her Congregation. I was amazed at her energy level and her ability to win over anyone with whom she spoke. Her knowledge and years of work in the development field were a tremendous asset for this Congregation. Three years later I still marvel at what

The party is organized and staffed by a committee of hard-working Sisters, ably assisted by Brother Kevin Finn, FSC. We would especially like to thank Sister Jean Gregor, OP, who has chaired the Irish Night committee for many years. has been accomplished in this department under her leadership despite a small staff and budget and constant battles with her health.

As I flipped through some past Gala photographs to find the most appropriate one for this article, I came across the one you see here. She is with her dear friend Brian Madden. The two of them were the force behind the creation of the Dominican Gala. It is very appropriate to see her smiling so broadly, for this is how most of our donors knew her: warm, friendly, smiling and always ready to greet you with a big hug. I am very pleased that she is, albeit posthumously, the Catherine of Siena award recipient for the 150th Anniversary Gala.

I know that Kathleen is constantly watching over us from above and praying for our every success. I hope she knows how much I appreciated her presence and friendship, and how much her Congregation appreciated her devotion and hard work.

Whether through the enrollment program, a special event, a memorial gift or our direct mail letters, your gifts have allowed us to continue to live out our Mission of serving the people of God.
