Unchaining the Melody of Spiritual Growth At New Jersey State Penitentiary

by Carol Hansen

New Jersey State Penitentiary in Trenton is the largest maximum security facility in that state's prison system. Most of the 2,000 inmates are serving long sentences, many for violent and capital offenses. Yet after ministering to them as chaplain for over seventeen years, Sister Elizabeth Gnam, OP maintains her belief that we are each greater than our worst act. This conviction cannot be regarded lightly when one considers the scope of her work. Sister Liz' ability to separate the person from the crime is only one of the significant gifts she brings to a tough job.

Elizabeth Gnam grew up in Brooklyn where her vocation was inspired in part by reading "Lives of the Saints" as a young girl. After attending Dominican Commercial High School, she decided to enter the Dominican Sisters of Amityville. While engaged in parish ministries on Long Island, she began visiting a parishioner's son who was incarcerated in a local prison. This led to a weekly volunteer commitment for the next three years, during which time Sister Liz felt that God was calling her to prison ministry. After actively pursuing this, she was offered a position at Trenton in 1988. When Sister Liz accepted, she became the first Sister to serve as Chaplain in a New Jersey prison.

Because there is no such thing as a "typical day" on this job, Sister Liz' duties cover a broad spectrum: ministering to the sick, leading spirituality groups, meeting with a Catholic planning committee to organize worship services, visiting segregated inmates who have lost congregate privileges for disciplinary reasons, and counseling those struggling with addictions. Of the many hurdles unique to this ministry, Sister Liz cites, "Challenging the men to live the Gospel despite their difficult situation...by not resorting to bitterness, not becoming so jaded by prison life that they forget their

humanity, forget who they really are in God's sight." She notes the critical importance of keeping the spark of hope alive by providing a safe place for them to share honestly about where they are on this journey. She encourages the men to help one another by being kind, compassionate, caring, and living the Gospel in their daily routine.

"I remind them that perhaps we are the only Gospel here that someone can ever read or will ever read, so it becomes a serious responsibility, if you're about resetting the priorities of your life, to live out this Gospel and to try to do it as fully as possible under these circumstances."

A big part of this task has been teaching the men how to manage conflict. To this end, Sister Liz initiated the "Alternatives To Violence Program" originally developed by the Quakers. Inmates who attend the sixty hour program, become certified to help other inmates deal with conflictive situations in

Dear Friends,

This spring I have attempted to walk more often and I have been overwhelmed by the beauty which I have witnessed during my walks. Our Motherhouse grounds are radiant with color as each new flowering plant or tree displays its magnificence. Walking is good physical exercise; experiencing nature at its finest is nourishment for the spirit. The next several months offer us opportunities to be outside to enjoy the gift of creation. Don't miss out on the surprises that await you outdoors.

The rhythm of the year is ever so slowly changing as summer makes its debut. We all welcome some leisure time to catch up with friends, correspondence, and activities that we enjoy. The Dominican Sisters of Amityville are mindful and grateful for your involvement in our fundraising activities that support our ministries and assist us in our care of our retired Sisters. Your generosity of time, talent and resources are true signs of hope for us as we partner together in the holy preaching. God has blessed our Congregation with such good friends! Our jubilee celebration featured in *Our Preaching* witnesses the joy of our vowed commitment. Your journeying with us blesses the work.

Through your efforts the message of the Gospel becomes real for people who are involved in our ministries. During the Easter and Pentecost Seasons the Scripture readings give testimony to Jesus' ministry and His desire that everyone experiences God's love. Jesus offers the invitation to "remain in my love" and promises that the Spirit of God will always be with us. The challenge for all of us is to take some contemplative time and immerse ourselves in God's lavish love. The reflections offered in this edition on Convocation 2006 will give you an idea of our experience of a contemplative process. We thank you for your prayers during that time as well as for your financial support.

This edition of *Our Preaching* gives testament to you who believe in our mission and work tirelessly to see that it continues into the future. In the regular feature story entitled "Dominicans in Action" you will experience how S. Elizabeth Gnam daily communicates God's desire for all to remain in God's love to the prisoners in a New Jersey prison. You will note that her greatest success in this ministry is derived from her own personal belief in God's love and her ability to be God's compassionate presence for the prisoners.

From August 3 through August 8 our Sisters will be participating in our Chapter of Affairs. A Chapter is a unique and defining moment in the life of the Congregation. It is a time to review our story together and set goals for the continuation of our Dominican Life and Mission. Please remember us in your prayer as we prepare for Chapter and engage in the meetings this summer.

The summer will bring moments of quiet and peace. In the midst of this quiet another source of energy will spill forth into the planning for our Dominican Gala 2006. This year's honorees will be S. Evamarie Gillchrist and The Madden Family. Knowing your past support we are confident that this will be another successful event which will resource our ministries now and beyond.

Be assured of a special remembrance in the daily prayers of our Sisters. May your summer be a time of great blessing as you enjoy the gifts of the earth in a contemplative setting.

Gratefully,

Dominican Gala 2006 Honorees Announced

The 2006 Dominican Gala will be held on Friday evening, October 27, 2006 at the Garden City Hotel. The evening provides an elegant opportunity to partner in mission with the Dominican Sisters of Amityville. Proceeds from this night of dining and dancing support the Congregation's Ministry Support Fund.

This year the Sisters are pleased to honor members of the Madden Family with the Veritas Award for their ongoing support on behalf of the Sisters. The Maddens have been loyal benefactors of the Sisters for many years and in many ways. Brian Madden has contributed to the overall success of past Dominican Galas. His mother Mary has been an active participant in Irish Night for

thirty years, helping to make it a much-loved, well-attended event. Their dedication is acknowledged with much gratitude.

Sister Evamarie Gillcrist, OP will receive the St. Catherine of Siena Award. Sister Eve teaches English as a second language at the Adult Learning Center at Queens Borough Public Library in Jamaica and throughout Brooklyn. Congratulations, Sister Eve!

The Dominican Gala 2006 will be a memorable evening for everyone who attends. We invite you to join us! For more information about tickets and sponsorship opportunities, please contact Sister Eileen Nolan, OP at 631-842-6000 ext. 238 or Pat Chambers Daly, ext. 241.

Irish Night Launches 2006 Event Season

Irish Night was held on March 4, 2006 at St. Brigid's in Westbury, kicking off this year's fundraising season. Attendees enjoyed great music, dance and raffles in the company of family and friends. Thank you one and all!

The 2006 Dominican Golf Classic took place on May 22, 2006 at Pine Hollow Country Club in East Norwich, NY. The Sisters honored Philip Panarelli, Senior Vice President, HSBC Bank USA, N.A. We gratefully acknowledge the participation of all who helped make the day so successful. Proceeds will support many of the Congregation's ministries. Thanks to all who joined us!

The 5th Annual Beauty of the Spirit Luncheon will be held on Friday, June 23, 2006 at Queen of the Rosary Motherhouse. The event continues to grow in popularity and sells out early. For details, call (631) 842-6000 ext. 246 or email aellingham@amityop.org.

Support women who dedicate their lives to caring.

Leave your *Legacy of Truth* with a "Dominican Sisters of Amityville Charitable Gift Annuity." No matter what happens in the market, you'll receive a guaranteed fixed 5.7% to 11.3% interest rate, depending on age, annually for life. A portion of your initial gift is tax deductible and most of the income is usually tax-free. Your investment is secured by our own assets and a "legal reserve" that we have established with Merrill Lynch.

As with all planned gifts to the Congregation, establishing a Charitable Gift Annuity qualifies you for membership in our *Veritas Society*. And, for the Sisters, your annuity will support our mission and assist our Sisters during retirement or ill health.

non-violent ways. She sees their spiritual growth in the way they address problems and treat each other.

Prison life however remains harsh. Despite this, Sister Liz avoids judgements, saying, "You can't minister to people unless you really love them." She strives to meet them as they are now, to be with them in their moral pain. At the same time, she is realistic about the impact their crimes have had on victims and victims' families. "Focus on the Victim" is a 14-week program where Sister Liz, a social worker and fifteen inmates meet with victims who tell how their lives have been affected by crime. Many inmates who participate are deeply touched by this.

If the difficulties of prison ministry are unique, so are the rewards. Sister Liz recalls being asked to speak against capital punishment to a community that had recently experienced a highly-publicized murder. She wasn't sure how she would be received. At the end of her presentation, an elderly couple described their journey from bitterness to forgiveness following the murder of their daughter. Their powerful testimony to the role that faith played in this process moved the entire audience to tears.

Then there is the satisfaction of seeing spiritual healing come full circle when former prisoners return to help young inmates by sharing their experience, strength and hope.

Following the example of St. Catherine of Siena, Sister Liz Gnam, OP extends a loving hand to God's people who might otherwise be overlooked, to carry the message that is the foundation of her ministry:

"God hasn't given up on you and we haven't either."

Retired Sisters Recall Brooklyn Days

Back To Brooklyn Week was held in April for the retired Sisters at Queen of the Rosary Motherhouse. Festivities included a re-enactment of Game 7 of the Brooklyn Dodgers' 1955 World Series win. Sister Kate Braet, CSJ and volunteers coached a "team" of Sisters to "recreate" key plays in the game. Pictured below are the Sisters who participated, uniforms and all! Mission Statement of the Development Office

*"With the world as our frontier, we are open to the
Spirit working through all creation."*

The ministry of Development embraces the mission of the Dominican Sisters of Amityville: to search for truth, preach the Gospel and serve God's people. We invite others to share in these efforts by becoming Partners in Mission. In this way our partners enable us, through our many ministries, to touch the lives of the most vulnerable. In addition, these partnerships make it possible for us to provide for those Sisters who, by their lives of service, have sustained our Congregation and its mission.

Philosophy of the Development Office

*We are rich only through what we give,
and poor only through what we refuse ...*

Anne Swetchin

The activities of the Development Office are designed to assist the Congregation in fulfilling its commitment to respond to the needs of the people of God. We invite others to partner with us and join in our efforts to preach God's Word. Our Development efforts enable the Congregation to be more effective stewards of its resources. The Development Office has as its main purpose the building of financial resources so as to enhance the viability and longevity of the Mission of the Congregation. The Ministry of Development is the conduit through which a relationship is established and nurtured with each person who invests in the Congregation.

The goals of the Development Office are:

- ✘ to assist in planning for a viable future;
- ✘ to research the needs of the Congregation and assist in identifying and soliciting funding sources;
- ✘ to coordinate fundraising projects that benefit the Dominican Sisters of Amityville.

The Ministry of Development focuses on the belief that—

- ✘ everything we have is a gift from God and we are stewards of all we receive;
- ✘ Development is a vehicle that enables us to discern and respond to the needs of God's people;
- ✘ as responsible stewards we have an obligation to provide the highest level of trust, confidentiality and accountability to our donors.

In Our Donors'

WORDS

We receive so many wonderful expressions of gratitude from people whose lives have been positively impacted by the Dominican Sisters of Amityville. The following represent only a few of these. If you have a special story to share, please send it in. *In Our Donors' Words* will run as a regular column in our Fall and Winter issues, as space permits.

Memories from Glenview, IL

I tend to think of the caring and gentle Principal and Sisters of St. Luke's School as one cohesive, loving unit. The Sisters tamed this wild, uncared for "throw away" just by practicing what they preached, by giving me an education I am proud of and by being there whenever I needed stability in my life. I will always remember all of them with deep love and gratitude but Sister Agnes Wassmer made the most significant and long-lasting impact upon my personal and professional life. Thank you for this opportunity to publicly thank her before I leave planet Earth. That is why I was proud to sign on as a Dominican Companion when I received your mailing.

A Memorable Dominican

Dear Editor: To my delight, I recently learned that a very memorable Dominican nun who taught math at Bishop McDonnell H.S. is quite well and active, living at Queen of the Rosary Motherhouse in Amityville, L.I. As I am now 81 and attended Bishop McDonnell from 1938 to 1942, hearing about Sister Grace Regina Wingenfeld was quite a surprise. She is 94 years old.

At Sister's gracious invitation, my sister Gloria and I planned a visit. Before our trip, I went through old photo albums and yearbooks for photos to show one of our favorite nuns. I found 1942 photos I had taken of Sister Grace Regina and other nuns in

Amityville, where they were enjoying a summer break between teaching semesters in Brooklyn. Other photos included my classmate Sally Dowd who had just entered the order, and a photo of a cow the Motherhouse kept on the grounds. Amityville was really country then.

It's hard to say whether Sister or I enjoyed the visit more. I also provided a copy of The Tablet's obituary of Sister Sally Ann Dowd which Sister Grace had not seen.

After teaching math for much of her career, Sister Grace Regina earned a doctorate in educational psychology from Fordham University. She then taught psychology, gave seminars and lectures at Molloy and CW Post Colleges. For a time, she was director of counselling and placement for Molloy. Our touching

and memorable visit with Sister included attending Mass in St. Albert's Chapel at the Motherhouse followed by a buffet lunch.

Sister Grace Regina was an inspiration to me throughout high school and she continues to be an inspiration now. Perhaps some of your readers and Bishop McDonnell graduates would like to hear this happy news.

With Gratitude to the Dominican Sisters of Amityville Who Taught Them...

❖ "I graduated from St. Mary's of Winfield in 1936. I was an altar boy there for ten years... A few of the nuns are still recalled very strongly—S. Alberta, S. Inviolata and S. Thaddeus..."

❖ "I attended St. Nicholas High School in Brooklyn and graduated in 1970, and I feel my education was the best."

❖ "I fondly recall many happy memories of my education at the hands of the Sisters of St. Dominic. I attended Long Beach Catholic School and then Queen of the Rosary Academy. I went on to college and became a teacher. I feel so blessed to have had such an excellent education that prepared me to be an educator."

Dominican Charism Changing Lives

Sister Annette Marie Sledzaus, OP received this letter from a former student who went on to join the Daughters of Wisdom

What a wonderful surprise to hear from you after such a long separation and silence. You are surely one of the most important people in my life, and I am delighted to know that you are alive and well...as you say, "going strong."

I don't suppose you will ever know how much I loved and admired you. My whole eighth grade was a 'lit up' year because of you. In those days we never realized how blessed we were in having such gifted and dedicated teachers. It was only much later in life that I came to appreciate the excellent education you gave us.

When I think of those days I remember four or five of us girls waiting every morning to carry your books when you appeared at the gate of the wire-mesh fence that separated the school yard from the convent. I have no doubt whatever that I owe a great deal to you for my vocation. When I came to St. Catherine of Siena, I had thought of joining the Amityville Dominicans, but I

guess the Lord had other plans for me. I have no idea really why I felt such an attraction for the Daughters of Wisdom but as I look back I know in my heart it was the path I was meant to walk on.

I have spent thirty-six years of my life outside the United States, and thirty-two of those were in Africa where I came to know and love the people with all my heart. When I left Malawi towards the end of 1999, it was not because I wanted to get out of there, but rather because the African Sisters were ready to take over things themselves and I needed to give them space to do that. Would you believe that on February 2, this year, I celebrated fifty years of religious life? It hardly seems possible.

I am so grateful for the message you sent me at Christmas and I hope to see you again very soon. Meantime, take care. Keeping active, as you do, is the best way to stay young!

Affectionately, Ann

Thank You For Supporting Our Convocation 2006

The Dominican Sisters of Amityville gathered in February to share a contemplative experience of rediscovering their journey together. Nearly 400 Sisters met at the Huntington Hilton on Long Island to Empower their Mission by Encountering Truth and Embracing Hope. The four day event ran from February 17-20. It was time well spent, as Sisters convened to pray, reflect and discuss the future of the Congregation.

We are grateful to the many donors who helped make this important weekend possible by responding to a special appeal. You are truly partners in the continuation of our preaching mission, wherever or whatever that may be! The following are reflections shared by Sisters who attended the 2006 Convocation.

"Open and uncertain—wondering what was to come, I arrived on Friday. On Monday I left filled with hope and challenged to live my Dominican charism of truth through deepened contemplation. For it is in facing fear through hope and daring to risk by living a gentle faith in action that I am wholly Dominican."

Peggy E. Murphy, OP

"A prayer-filled weekend that helped fan the flames of my youthful idealism that led me to religious life. The ideas heard about contemplation gave me insight into what I can do to enhance my prayer life. If there is a corner in Heaven where the Dominicans "hang out," I'm sure they were talking about us and cheering us on this weekend. What a blessing!"

Kathleen Taylor, OP

*"If there is a corner in Heaven
where Dominicans 'hang out,'
I'm sure they were...
cheering us on this weekend."*

"To contemplate and give to others the fruits of my contemplation...to speak the truth...to be a prophetic woman in the Church today. Coming to the Convocation with the question in my mind—How are we going to encounter the Truth, embrace Hope, and be empowered by Mission? This

Convocation led me to a deeper understanding of being a contemplative pray-er. The energy of the Convocation participants and presenters was heightened during the days we were together. I go home a richer person—a person filled with 'a new fire in my belly'—to go forth to see things differently, hear things differently, know things differently, and experience God's love for me, very differently."

Ginny Connors, OP

THANK YOU TO OUR 2005 DONORS

We thank every individual, corporation, not-for-profit, Church, and religious who supported the Dominican Sisters of Amityville in 2005, whether through the enrollment program, a special event, a memorial gift or our direct mail letters. Your gifts allow us to continue our Mission of service.
